

#22833 Dry Erase Clear

UV Curable Screen Print and Roller Coat Inks

Polymeric has developed a reliable, non-staining Dry Erase Clear for styrene and other commonly used Point of Purchase substrates. This new ink has shown excellent adhesion to many popular general or multi-purpose POP UV inks.

Performance Properties

- Adheres well to styrene, high-density polyethylene, calendared vinyl films and some coated materials
- Works best with Sanford Expo Dry Erase Markers
- Suitable for short term merchandise promotions

Mesh

355-390 plain weave (140-150 cm)

Squeegee

Sharp 80 durometer polyurethane blade

Cure Parameters

150-180 watt per inch medium pressure mercury vapor lamp with an Mj output of at least 350

Storage

Care should be taken to store ink in tightly closed containers located in a cool (60-80°F/15-27°C) dark place. With suitable conditions, unopened ink is expected to have a shelf life of approximately twelve (12) months from date of manufacture, six (6) months for white inks.

Precautions

Read the safety data sheet prior to processing. It contains instructions for precautions to be taken when handling inks. If ink comes in contact with skin wipe off with a clean, dry cloth (do not use solvent). Wash and rinse the affected areas with soap and water

As a quality control measure please check dry erase qualities before proceeding with production runs.

WARNING: This product will not perform if it has been under-cured as there will be a haze left by the marker that cannot be removed.

A. Warranty Liability Limited to Purchase and Installation Costs

Notwithstanding anything provided herein or any other written material to the contrary, Polymeric only warrants the purchase price and costs of installation. Polymeric US shall have no liability or obligation to any user, buyer, purchaser, distributor or other person or entity for any special, direct, indirect, incidental or consequential damages, however caused, including without limitation, personal liability, loss of business, loss of profit, or other damage, whether or not buyer shall have informed Polymeric US of the possibility or likelihood of any such damages.

B. Limitation of Implied Warranty and Fitness for a Particular Purpose

Polymeric's warranty is given in lieu of all other warranties, express or implied, including but not limited to an implied warranty of fitness for a particular purpose, an implied warranty of merchantability, and any other implied warranty arising out of a course of dealing, performance, customer usage or trade.
